

Plating Guide - Ginger and Honeydew Intermezzo

palette-cleansing shot

Ingredients (keep cold):

- Honeydew Purée
- Pickled Ginger

Serving Ideas:

1. Pour liquid into verrine (provided) or shot glass.
2. Garnish with pickled ginger and serve.

* Raw juice is highly perishable. Consume within 72 hours of the 'pressed-on' date. Always refrigerate. Unpasteurized juices may contain harmful bacteria that can cause serious illness in children, the elderly, & persons with weakened immune systems. Always consult a physician if you need help determining whether raw juice is appropriate for you.
